

Keeping you informed because we care

Caregiver News

A FINAL NOTE FROM THE PRESIDENT

To my Cheerway Care Family,

It is with a sad yet excited heart that I announce my retirement from Cheerway Care at the end of June. I am sad because inevitably, I will miss working with such great, compassionate caregivers such as yourselves. In 1997, I started this business with a few employees, a cell phone in one hand and a notebook in the other. It was just me trying to find caregivers for a few families, working from my home and car and juggling many different roles. After 11 years, Cheerway Care has grown to boast of 80 caregivers, a team of excellent management staff, a new office in Rockville, training opportunities, advances in staffing technology, and more. Although sad to leave the company, I feel pride and excitement to see where the company has come from, where it is now, and how it will continue to grow successfully in the future.

I am confident in the growth of Cheerway Care as I am leaving the company in capable and excellent hands. I will be relinquishing Cheerway Care to my two wonderful daughters, Sheli Bell & Jessel Newton. Sheli Bell will assume my role as President & Owner. Jessel Newton will be assisting her with marketing and event planning roles. In addition, there are several other management staff who will continue to play a significant role in the success of the company such as Rob Newton, Finance Director; Greg Claver, the Staffing Director and Trainer; Veronica DeAsis as the part-time Staffing Coordinator; Frances Rana as the Administrative Assistant and the newest member of our management team, Russell Pit-og as the Human Resources Director. We also have in place part time nursing staff: Registered Nurses - Mildred Marisigan, Verga Claver, Maria Espinosa, and Lolita Bautista. I leave with great excitement and hope at what I envision to be a prime home care company in this area in the years to come. As wonderful compassionate caregivers with an excellent management team, as expressed by many of our clients, know that you are a part of a great company!

I hope to see all of you personally at the employee summer picnic where I will bid each one farewell. I would like to hug each one of you and thank you in person before I retire in the Philippines. You have been my second family and I am truly honored to have walked the past 11 years with many of you by my side. My spirit will be with you all and Cheerway Care, Inc. - ALWAYS.

God bless us all,
Nellie

OUR NEWEST MANAGEMENT TEAM MEMBER

Russell Pit-og,
Human Resources Director

Please welcome Russell Pit-og as our new Human Resources Director. Russell was born and raised in Flint, Michigan. After high school he attended Adrian College (Adrian, MI) and graduated in 1999 with a BBA Business Management/Public Relations Degree. Russell has been working in the Human Resource industry for the past 9 years since College for the following companies TEKsystems, Syntel, Inc, Henry Ford Health System, Quicken Loans and Crain Communications, Inc. Most recently, prior to joining Cheerway Care, Inc. he has been providing Human Resource consulting services for Mercy Memorial Hospital System through his company Russell Pit-og Solutions.

On a personal note he is getting married this October 2009 in Michigan to his fiancée Amy. We are excited to have Russell bring experience and excellence to this growing company.

"I am very excited for the opportunity to work with my family and continue to grow Cheerway Care, Inc." - Russell Pit-og.
